Parcel by parcel: testing “problem → reaction → solution” — Cedfin / Tŷ Mawr lands

Llandough-juxta-Penarth and Leckwith. One row per taking. This table lays out the ingredients only: dates, takers, stated reasons, the event before each taking and the gap, the instrument, and whether the family's title or occupation was answered on the record. It does not say a scheme existed. Bold gaps are within about a year of 12. J = BP Properties Ltd v Buckler [1987] EWCA Civ 2; EV = our evidence catalogue; “unread” = the instrument itself has not been seen.
